THINGS WE ASK OF OUR GUESTS

- 1) No drinking of alcoholic beverages until after you return from the evening hunt.
- 2) Be as quiet as possible when going to and from your stands.
- 3) Do not load your gun until you are in your stand and unload your gun before you leave your stand. All guns must be unloaded unless you are in your stand.
- 4) Safety belts must be worn at all times while you are in your stand.
- 5) All hunters must remain in their stands until your guide comes to pick you up. Any hunter who is not in their stand when your guide comes to check on you will be required to leave the Plantation immediately with no refund.
- 6) Hunting License Requirements. All hunters are required to have a valid South Carolina hunting license. Anyone born after 1979 must have a valid Hunter Safety Course ID to be issued a South Carolina hunting license. You may obtain your SC Hunting License by going online to www.dnr.sc.gov. Just follow the simple directions and print your license from your computer or you may call 1-803-734-8004 and purchase the license over the telephone.

Please note that the 3-day license is valid for 3 calendar days, not a 72 hour period. And, the 10-day license is valid for 10 calendar days, not a 240 hour period. Therefore, if you will be hunting on more than 3 consecutive days, you must have a 10-day hunting

license. And, if you will be hunting on more than 10 consecutive days, you must have the annual hunting license. The annual hunting license is the ideal choice for our guests who plan to hunt with us on more than one occasion between July 1 and June 31.
